This is the 15th edition of the Evergreen State College Student music Project. This is a completely student designed, produced, written and coordinated album and is just a peek into the diverse musical community at Evergreen. All songs were recorded and mixed in TESC audio facilities.. For information contact cdp@evergreen.edu.

Special Thanks Go To Peter Randlette, Jacinta Mckoy and the Com Building staff, Media loan, Electronic Media, the Multitrack composition class, Rebecca and Tom @ S&A, and to all the other people who donated their work and time in to this project. You know who you are.
