The background of the entire page is a stylized illustration. On the left, a tall radio tower with a lattice structure stands against a sky with lightning bolts. Below the tower is a simple line drawing of a building with a flat roof and a few windows. The middle and right sections of the background are filled with large, overlapping silhouettes of palm trees in various shades of green. The bottom of the page is a wash of orange and yellow colors, suggesting a sunset or a sandy ground. In the bottom right corner, there is a detailed illustration of a vintage-style radio with a large speaker grille and a circular antenna on top.
